

VideoPlayerImpl

```
classDiagram
    class VideoPlayerImpl
    class VideoPlayerOpencvImpl1
    class VideoPlayerOpencvImpl2
    VideoPlayerOpencvImpl1 --|> VideoPlayerImpl
    VideoPlayerOpencvImpl2 --|> VideoPlayerImpl
```

The diagram illustrates a class hierarchy. At the top is the 'VideoPlayerImpl' class. Below it, two 'VideoPlayerOpencvImpl' classes are shown, both of which inherit from 'VideoPlayerImpl'. The inheritance is represented by solid lines with hollow triangular arrowheads pointing towards the superclass.
